

Thank you 1.4 Million times!
We are FORE-ever grateful

A note from David and Karen:

Wow. Just wow...

Once again we are left speechless following Take a Swing Fore Batten 5. Our annual online auction (many are dubbing the best auction in golf) has raised the bar for a 5th consecutive year. TASFBV reached more enthusiastic supporters than ever before and raised over \$1.4M!

These precious funds will work incredibly hard towards pushing critical research forward while ultimately getting us one step closer to our end goal - curing Batten disease. Without your generosity, compassion and support, the path to a cure would be much more overwhelming and dreadfully slow.

Thank you to everyone who donated, bid, spread the word and followed along. Thank you to family and friends for always being there for Amelia & Makenzie (and mommy & daddy too!). Thank you for motivating us to wake up everyday with hope in our hearts.

David & Karen
